

## MIA Military Hospitality Lounge Seeks Volunteers

The Military Hospitality Lounge on the 2nd level of Terminal E at Miami International Airport is seeking volunteer hosts and hostesses from our community who can donate a few hours a week to help extend a welcome and serve the needs of military travelers who are in transit through MIA.

A volunteer application form is available at [www.militaryloungemiami.com](http://www.militaryloungemiami.com), or may be requested at 305.876.7585.

The lounge is open 7 days a week from 9am to 9pm, and offers snacks, beverages, comfortable seating away from terminal noise and congestion, free computer and internet access, free telephone service and long distance phone cards, access to photocopy and fax machines, TV, DVDs, books, etc. for military guests and their dependents.

The lounge is operated by the Armed Forces Services Center, Inc., a 501(c)(3) organization of Miami, FL, and is located in space donated by Miami-Dade County and the Miami-Dade Aviation Department. It is supported entirely by private contributions and in-kind donations from patriotic South Florida residents and businesses.
